

Please Pardon Our Appearance

Welcome New and Returning Students, Visitors and Guests,

We look forward to welcoming you to our new location here at the Corporate & Community Education Center in North Andover. This new space gives us an opportunity to offer you more classes, use of state-of-the-art computer labs, and enhances our ability to offer new and exciting programs.

As you enter our location we ask that you please bear with us at this time. The construction of a new entrance is underway and the fences and turnstiles in the parking areas will soon be removed. Temporary signage has been put in place to help make locating us a bit easier.

We have an ambitious “vision” for our center in the months and years to come. As we settle in and grow we hope that you will find many reasons to come back.

At any time, please let us know if you have any suggestions or concerns.

Please note, if you have any special circumstances regarding handicap accessibility please call us ahead of time, so that we can do our best to accommodate your situation (978-659-1200).

Thank You
